Our Katrina experience was:

We did NOT evacuate for Katrina; we stayed in our del cottage and felt safe. However, we were picked up by a tornado which set our house on our driveway, broken in half. Of course we were flooded also & spent many hours outside after we escaped the house. We floated on an ice chest until the water went down. We stayed 6 days & were evacuated by our son to Hallowell, Maine.

Write something special that you would like Santa to bring you or your family:

groceries or Walmart gift card; Queen size bedding, used sofa or love seat; toaster; rugs, radio; ANY things would be most appreciated!

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:
